

PROJECT EXPERIENCE

S/N	Project Description	Scope of Services	Client	Status	Date
1.	Engineering, Procurement, Construction, Installation and Commissioning of Fire Detection and Suppression Systems for Ardova Tank farm and Facility, Ijora, Lagos state	Engineering, Procurement, Construction, Installation and Commissioning of Fire Detection and Suppression Systems for Ardova Tank farm and Facility, Ijora, Lagos state	ARDOVA Plc	Ongoing	2022
2.	Engineering, Procurement, Construction, Installation and Commissioning of FM200 Fire Suppression System at Control Building NGC Gas Station, Ajaokuta, Kogi State	Engineering, Procurement, Construction, Installation and Commissioning of FM200 Fire Suppression System at Control Building NGC Gas Station, Ajaokuta, Kogi State	Morpol Engineering Services Ltd	Ongoing	2022
3.	Engineering, Procurement, Construction, Installation and Commissioning of Fire Detection and Suppression System at NGC GAS Metering station, Oben, Edo state	Engineering, Procurement, Construction, Installation and Commissioning of Fire Detection and Suppression System at NGC GAS Metering station, Oben, Edo state	GC Parsons International Ltd	Ongoing	2022
4.	Engineering, Procurement, Construction, Installation and Commissioning of Fire Detection and Suppression System at NGC GAS Metering station, Delta IV, Delta state	Engineering, Procurement, Construction, Installation and Commissioning of Fire Detection and Suppression System at NGC GAS Metering station, Delta IV, Delta state	Bablink Resources Nigeria Ltd	Ongoing	2022
5.	Engineering, Procurement, Construction, Installation and Commissioning of Fire Sprinkler system at Nigerian breweries Plc, Imagbon Road, Ijebu-Ode	Engineering, Procurement, Construction, Installation and Commissioning of Fire Sprinkler system at Nigerian breweries Plc, Imagbon Road, Ijebu-Ode	Nigeria Brewery Plc	Ongoing	2021

PROJECT EXPERIENCE

6	Engineering, Procurement, Installation and Commissioning of VESDA Fire detection System at AIRETEL Data Centre, Lekki, Lagos	Engineering, Procurement, Installation and Commissioning of VESDA Fire detection System at AIRETEL Data Centre, Lekki Lagos	AIRTEL	Ongoing	2022
7.	Engineering, Procurement, Construction, Installation and Commissioning of Fire Sprinkler system at Nigerian breweries Plc, Ama plant	Engineering, Procurement, Construction, Installation and Commissioning of Fire Sprinkler system at Nigerian breweries Plc, Ama Plant	Nigeria Brewery Plc	Completed	2021
8.	Engineering, Procurement, Construction, Installation and Commissioning of Fire Sprinkler system at Nigerian breweries Plc Ijebu-Ode	Engineering, Procurement, Construction, Installation and Commissioning of Fire Sprinkler system at Nigerian breweries Plc Ijebu-Ode	Nigeria Brewery Plc	Ongoing	2021
9.	Supply and Installation of Flame and Gas Detection System at Nigerian Breweries Plc, Aba	Supply and Installation of Flame and Gas Detection System at Nigerian Breweries Plc, Aba	Nigeria Brewery Plc	Ongoing	2021
10.	Supply and Installation of Flame and Gas Detection System at Nigerian Breweries Plc, Aba Malting Plant	Supply and Installation of Flame and Gas Detection System at Nigerian Breweries Plc, Aba Malting Plant	Nigeria Brewery Plc	Ongoing	2021

PROJECT EXPERIENCE

11.	Engineering, Procurement, Construction, Installation and Commissioning of Fire Detection and Suppression System at Duport Energy Park, Egborko, Edo State	Engineering, Procurement, Construction, Installation and Commissioning of Fire Detection and Suppression System at Duport Energy Park, Egborko, Edo State	DUPORT Midstream Company Ltd	Ongoing	2021
12.	Supply and Installation of HSE Materials at Maitama Office	Supply and Installation of HSE Materials at Maitama Office, Abuja	NTEL	Completed	2020
13.	Procurement and Supply of Fire Alarm system, safety signs, Fire extinguishers and First Aid at Ntel FESTAC office, Lagos	Procurement and Supply of Fire Alarm system, safety signs and First Aid at Ntel FESTAC office, Lagos	NTEL	Completed	2020
14.	Engineering, Procurement, Installation, and Commissioning of Fire Hydrant Systems at Nigeria Brewery Plc, Kudenda, Kaduna State.	Engineering, Procurement, Installation, and Commissioning of Fire Hydrant Systems at Nigeria Brewery Plc, Kudenda, Kaduna State.	Nigeria Brewery Plc.	Completed	2020

PROJECT EXPERIENCE

15.	Engineering, Procurement, Installation, and Commissioning of Fire Hydrant Systems at Nigeria Brewery Plc, Ibadan.	Engineering, Procurement, Installation, and Commissioning of Fire Hydrant Systems at Nigeria Brewery Plc, Ibadan.	Nigeria Brewery Plc.	Completed	2020
16.	Procurement, Installation, and Commissioning of Fire Hydrant Systems at Nigeria Gas Company station, Aba, Abia State.	Procurement, Installation, and Commissioning of Fire Hydrant Systems at Nigeria Gas Company station, Aba, Abia State	Nigeria Gas Company	Completed	2019
17.	Procurement, Installation and Commissioning of Fire Alarm System at NTEL Office, Saka Tinubu, Lagos State	Procurement, Installation and Commissioning of Fire Alarm System at Saka Tinubu Warehouse, Lagos	NTEL	Completed	2019
18.	Procurement, Installation and Commissioning of Fire Alarm System at NTEL Office, Marina, Lagos State	Procurement, Installation and Commissioning of Fire Alarm System at Marina Office, Lagos	NTEL	Completed	2019
19.	Installation, and Commissioning of Fire Hydrant Systems at Oilserv Head Office, Port Harcourt Engineering, Procurement,	Installation, and Commissioning of Fire Hydrant Systems at Oilserv Head Office, Port Harcourt	Oilserv Limited	Completed	2019

PROJECT EXPERIENCE

20	Maintenance of Fire Alarm and Fire suppression system at NTEL Facilities in Lagos and Abuja	Maintenance of Fire Alarm and Fire suppression system at NTEL Facilities (Data center, Rumen, Saka-Tinubu, Maitama and Aminu Kano)	NTEL	Continuous	2019-
21.	Engineering, Procurement, Installation, and Commissioning of Foam Deluge Systems at Nigeria Brewery Plc, Ama, Enugu State	Engineering, Procurement, Installation, and Commissioning of Foam Deluge Systems at Nigeria Brewery Plc, Ama, Enugu State	Nigeria Brewery Plc.	Completed	2018
22.	Engineering, Procurement, Installation, and Commissioning of Fire Hydrant Systems at Nigeria Brewery Plc, Ijebu-Ode	Engineering, Procurement, Installation, and Commissioning of Fire Hydrant Systems at Nigeria Brewery Plc, Ijebu-Ode	Nigeria Brewery Plc.	Completed	2018
23.	Procurement and Installation of Hydrant and Sprinkler Systems	Procurement and Installation of Hydrant and Sprinkler Systems	Chemtex	Completed	2017
24.	Engineering, Procurement, Installations, and Commissioning of of Fire Alarm and FM 200 fire Suppression system.	Engineering, Procurement, Installations, and Commissioning of of Fire Alarm and Suppression Niger Delta Power Holding Company Head Office, Abuja	Niger Delta Power Holding Company	Completed	2016

PROJECT EXPERIENCE

25.	Engineering, Procurement, Installations, and Commissioning of Fire and Gas System at NGC Warri, Delta State.	Engineering, Procurement, Installations, and Commissioning of Fire and Gas System at NGC Warri, Delta State.	Nigeria Gas Company (A subsidiary of NNPC)	Completed	2015
26.	Engineering, Procurement, Installations, and Commissioning of FM 200 Fire Suppression System for Access Bank Data Centre	Supply and Installations of FM 200 Fire Suppression System	Access Bank	Completed	2015
27.	Engineering, Procurement, Installations, and Commissioning of Extension of Fire and Gas Detection System at Nigeria Brewery Plc. Ibadan Plant.	Engineering, Procurement, Installations, and Commissioning of Extension of Fire and Gas Detection System	Nigeria Breweries (Ibadan Plant)	Completed	2015
28.	Engineering, Procurement, Installations, and Commissioning of Fire and Gas Detection System at EGBIN Power Plant	Engineering, Procurement, Installations, and Commissioning of Fire and Gas Detection System at EGBIN Power Plant	Nigeria Gas Company (A subsidiary of NNPC)	Completed	2015
29.	Engineering, Procurement, Construction, and Commissioning of Fire hydrant in Cotonou R&M	Engineering, Procurement, Construction, and Commissioning of Fire hydrant in Cotonou	West African Gas Pipeline Company	Completed	2016

PROJECT EXPERIENCE

	station	R&M station	(WAPCO)		
30.	Installation of water sprinkler system for MCC Control Panel room at Lafarge plc Ewekoro, plant II	Installation of water sprinkler system for MCC Control Panel room	Lafarge Plc	Completed	2015
31.	Engineering, Procurement, Installations, and Commissioning of Fire and Gas Detection System at Nigeria Brewery Plc. Ibadan Plant.	Engineering, Procurement, Installations, and Commissioning of Fire and Gas Detection System	Nigeria Breweries	Completed	2014
32.	Engineering, Procurement, Installations, and Commissioning of Fire Detection and Suppression System at BUA-Edo Gas Development Plant Okpella	Design, Procurement and installation of fire detection and alarm system - Design, procurement and installation of FM-200 fire suppression system. - Design, procurement and installation of Fire and Gas detection system - Design, procurement and installation of firewater pumps. -Construction of firewater tank	BUA Cement	Completed	2015

PROJECT EXPERIENCE

		-Construction of hydrant system			
33.	Design and Installation of Fire and Gas Detection System at Omo wood Ogbera, Ogun State	Design and Installation of Fire and Gas Detection System	Nigeria Gas Company (A subsidiary of NNPC)	Completed	2013
34.	Supply and Installation of VESDA System – Main One Services, Ogonbo Lekki	Supply and Installation of VESDA system with FM 200	Main One Services	Completed	2013
35.	Supply and Installation of Addressable Fire Detection & Alarming System	Addressable Fire Detection & Alarming System	INTERSWITCH	Completed	2013
36.	Supply and Installation of Fire Suppression System (FM 200)	Supply and Installation of Fire Suppression System (FM 200)	Funds and Electronics Transfer Services (FETS)	Completed	2012
37.	Supply and Installation of Fire Hydrant Pump system	Supply and Installation of Fire Hydrant Pump system	Stabilini Visoini	Completed	2012
38.	Engineering, Procurement, Installations, and Commissioning of Fire Detection and Suppression System at Alaoji Power Plant	Design, procurement and installation of FM-200 fire suppression system. - Design, procurement and installation of Fire and	Nigeria Gas Company	Completed	2012

PROJECT EXPERIENCE

		Gas detection system - Design, procurement and installation of firewater pumps. - Construction of firewater tank - Construction of hydrant System.			
39.	Supply and Installation Fire Hydrant System – Paras Gas Plant Ogijo Ogijo, Ikorodu	Supply and Installation Fire Hydrant System – Paras Gas Plant Ogijo, Ikorodu	Paras Energy	Completed	2012
40.	Supply and Installation of Fire detection and Alarm System	Supply and Installation of Fire detection and Alarm System	Bateliwin	Completed	2011
